**Additional Donation:**

Donations are appreciated and used for various worthy projects:

- **Water Quality** - LCIA paid \$1010 in 2005/06 and a total of \$6,852 over the last five years in sponsoring water sampling, research, analysis and supporting actions necessary to correct existing problems.
- **Investing in additional buoys** - LCIA owns and maintains 105+ aids to navigation which are set out each spring, brought in each fall, repaired, stored and replaced as needed. Each year 10 to 12 new buoys are purchased to replace old and damaged ones for a cost in 05/06 of \$1,295. Total buoy expenses in 05/06 totaled \$6850.
- **Recycling** - LCIA has been a large contributor to local recycling efforts by contributing toward the purchase of a new trailer in 2002, plus other trailer refurbishing needs and drivers' gas expense for a total of \$2,043 over the past five years.
- **Contributions to worthy community projects** - Also, over the past five years the LCIA has made contributions to: Les Cheneaux Community Library, Cedarville High School Band, Les Cheneaux Watershed Council, Maritime Museum and the Georgian Bay Association for a total of \$3278. The LCIA Board, at its May meeting, voted to allocate \$1,000 to Clark Township in 06/07 to be used toward matching funds for a grant they hope to get to help pay for updating the township's master plan and zoning ordinance.
